\*These organizations have listed Halal Certification Bodies which are approved under strict requirements. This means that their Halal Certificate may be used as a Reference Document during an audit or assessment. Please pay attention to the area of recognition! For instance, a HCB may be approved for chemicals, but not for meat certification. All recognitions should be up to date

\*\*All Members of WHFC are accepted

\*\*\*For HCB's working under GSO and SMIC1:2011 Halal standards: Only accredited scopes of certifications apply.

\*\*\*\*Trusted Halal Certification Bodies by Halal Quality Control: upon request only.

This list is reviewed by the Managing Director and evaluated by the CEO.
