Subject: Import Policy Order for Halal products to Pakistan

To whom this may concern,

The new amendment to the Import Policy Order for Halal products to Pakistan (regulated as of 19th February 2019) states:

“(iii d) The shipment shall be accompanied by a ‘Halal Certificate’ issued by a Halal Certification Body, accredited with an Accrediting Body (AB) which is a member of International Halal Accreditation Forum (IHAF) or Standards Metrology Institute for Islamic Countries (SMIIC).”

Statement:

Halal Quality Control (HQC) is an accredited Halal Certification Body by the Emirates International Accreditation Centre (EIAC) which is a full member of International Halal Accreditation Forum (IHAF) as well as SMIIC.

Halal Quality Control (HQC) is also approved and listed by Jabatan Kemajuan Islam Malaysia (**jakim**) and the Emirates Standardization and Metrology Authority (ESMA), which are both members of Standards Metrology Institute for Islamic Countries (SMIIC) or the International Halal Accreditation Forum (IHAF)

Halal Quality Control (HQC) is also approved by the Majelis Ulama Indonesia (MUI).

Therefore Halal Quality Control (HQC) is considered in compliance with the new amendment to Import Policy Order for Halal products to Pakistan, dated 19th February 2019.
